Ozark South Elementary

Metropolitan National Bank - Nixa

Winter is almost here! If you decide this is the year for a new coat, please drop off your nice used winter outerwear at a local collection site.

The *Christian County Optimist Club* (an organization devoted to bringing the best out in kids) has teamed up with *Comet Cleaners* and *Least of These*. Together these two community organizations, with the help of our business partner, Comet Cleaners will gather your tenderly used coats, scarves, gloves & hats, have them cleaned and distribute them to those who could use a hand with new outerwear this year.
